

COINWARE

COINWARE EXCHANGE is a Hybrid Cryptocurrency Exchange with a Centralised and P2P System integrated to Create a World Class Exchange.

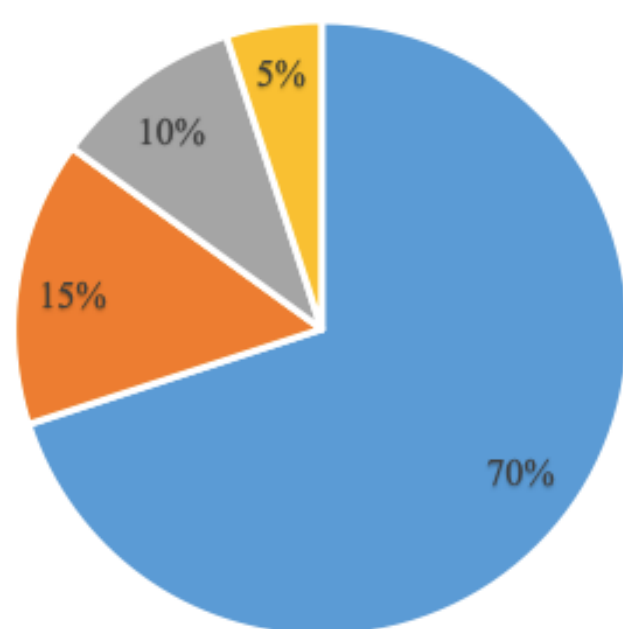

<https://www.coinware.co/>

- What is COINWARE?
- COINWARE is a free and user-friendly cryptocurrency trading platform for both experienced and inexperienced users with reduced burden on traders in exchanging cryptocurrency to fiat.
- Team at Coinware is a group of individuals experienced in cryptocurrency and trading. The team believes in creating a strong community as a backbone to the company's business model. Hence, partnership with financial service providers namely mobile money transfer firms and financial banks will help to create a burden free exchange of crypto-to-fiat currency.
